

Autumn
Term 1

Spelling and handwriting practice 

Daily Reading
(Don't forget to log on Marvellous Me)

Mathematics

Create a list of the number bonds to 10 or challenge yourself to 20. What do you notice?

Can you use the + and = symbols to record the number sentences?

Now practice saying your number bonds speedily with your grown up. How many can you tell them in one minute? Can you improve your score each week?

History

Please see additional handout.
(This will last until Christmas)

Primary Futures

&

Movers and Shakers

Year 1 Homework Challenges

Science

Explore your local area. What different animals do you see? Make a tally chart of the different animals you find. If you are feeling clever, why don't you have a go at grouping these? Can you think of your own way to classify and group the animals you find?

Computing

In computing, we are beginning to look at ICT all around us. Please talk about the different places we see or use IT in our everyday life. Maybe your child could speak with an older generation who did not have the technology we have today- what was it like?

Can you invent your own piece of technology? What will it be used for? How will it help society? Draw and label your invention.

English

There are many activities you can complete to practice your writing.

How about keeping a diary over the next few weeks? You could draw a picture and write a sentence each day to say what you have been doing or talk about how you feel.

Think about the jobs and roles that we have been looking at. Pick some of these to write about. You could answer these questions...

What is the job?

Why is it important?

What skills do you need to be good at it?

Art

Complete some research on famous still life artists such as Van Gough and Andy Warhol. Create a collage of your favourite pieces of still life art work.

Have a go at creating your own still life art. Make different arrangements of objects and practice sketching, painting or even sculpting them from different angles. Don't forget to send us lots of pictures!
