

TOWNVILLE INFANTS' SCHOOL

Head teacher: Caroline Burden

Freedom of Information Policy

Our vision

At Townville Infants' and Nursery School we aspire to offer the best possible early education for our children in a happy, safe, inclusive environment. We build firm foundations through a welcoming, holistic community approach placing the individual needs of the child at the heart. With high expectations and aspirations for every child we seek to ensure all children develop the skills and attributes they need to thrive and succeed both now and in the future.

Background

Townville Infant School is committed to complying with and implementing the provisions of the Freedom of Information Act (2000) and related legislation. This provides a general entitlement to any person to be able to access information held by school, subject to exemptions and conditions laid down by law.

Scope

This policy applies to all information held by school regardless of how it was created or received. It applies irrespective of the media on which the information is stored and whether the information is recorded on paper or held electronically. The Act's powers are fully retrospective and thus information is accessible no matter how old it may be. Similarly, information in draft form will also be accessible under the Act.

It should be noted that access to personal information (that is information from which a living individual can be identified) is still governed under GDPR 2018. Requests for access to such information will be governed in line with the requirements of this legislation.

Dealing with Requests

Townville Infant School will offer advice and assistance to anybody wishing to make a request for information. We are committed to dealing with requests within statutory guidelines, which means that a response will be made no more than 20 working days from the date of request and more speedily if possible. This will be extended in specific circumstances on legal advice in connection with the public interest test. However, school is committed to providing a prompt service and every attempt will be made to provide the information earlier than the expiry of the 20 working day period. Repeated or vexatious requests for information will be refused. School will claim exemptions as appropriate whilst maintaining a commitment to openness, scrutiny and the public interest. School will put in place an appropriate procedure for measuring the public interest when considering a qualified (also known as "non-absolute") exemption which requires such a test.

Any request in writing will be considered a Freedom of Information request including those received by email and fax. There is no need for requests to indicate that they are made under the Act and all requests will be dealt with

Freedom of Information Policy

under this policy. Townville Infant School reserves the right to refuse requests where the cost of locating, retrieving and editing (where necessary) the information would exceed the statutory maximum (currently £450).

Townville Infant School recognises that requests for environmental information may be made over the telephone and that different exemptions apply.

Adopting and Maintaining Publication Schemes

Townville Infant School has adopted the Model Publication Scheme for Schools approved by the Information Commissioner.

Relationship with GDPR

Townville Infant School is under a legal duty to protect personal data under GDPR 2018. We will carefully consider our responsibilities under this Act before releasing personal information about living individuals, including current and former employees and pupils.

Responsibilities

Townville Infants School has a responsibility to make information available in accordance with the Freedom of Information Act. Responsibility for compliance with this and related policies will rest with the Governing Body who will delegate those responsibilities to the Head Teacher. Complaints regarding the use of this policy should be directed to the Governing Body.

All school staff have a responsibility to ensure that any request for information they receive is dealt with under the Act and in compliance with this policy. They are also responsible for good information handling practice and for implementing records management policies and procedures as appropriate to their post.
